DETAILED ACTION

Claim Rejections - 35 USC § 102

Claims 1, 2, 13-16 and 20 are still rejected under 35 U.S.C. 102(b) as being anticipated by Amemiya (Fig. 2) (of record) for reasons of record.

Claim Rejections - 35 USC § 103

Claims 7 and 8 are still rejected under 35 U.S.C. 103(a) as being unpatentable over Amemiya (Fig. 2) (of record) for reasons of record.

Allowable Subject Matter

Claims 3-6, 9-12 and 17-19 are still objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Response to Arguments

Applicant's arguments filed 1/17/07 have been fully considered but they are not persuasive.

Applicant argues that Amemia does not teach any particular resistance values for resistors 17 and 18. Applicant further argues that the circuit of Fig. 2 of Amemia to operate as a normal differential amplifier, the gain due to transistors Q1 and Q'1 would necessarily be equal, not different as required by claims 1 and 2. Examiner disagrees with these statement. As would have been known to those of ordinary skill in the art,

Art Unit: 2817

the resistance values of the resistors 17 and 18 of Amemia (Fig. 2) would necessarily be slightly different from each other due to the recognized difference in resistance values due to tolerances of resistors (temperature changes).

Conclusion

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
